REINOL-JANEK CHEMICALS (Pty) Ltd. QUALITY POLICY

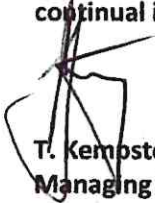

Reinol-Janek Chemicals (Pty) Ltd. manufacture; sells and distributes a range of cleaning chemicals, hand cleaners and water-based degreasers to local and export markets.

The management of Reinol-Janek Chemicals (Pty) Ltd. is committed to the implementation and continual improvement of the QMS in respect of the requirements of SANS ISO 9001:2015.

In order to achieve these commitments, senior management will:

- Ensure that the appropriate Safety , Health and Environmental requirements are implemented and maintained to meet statutory and regulatory requirements
- Ensure that appropriate procedures are implemented to manage the Quality Management System which are continually reviewed to measure their effectiveness through the achievement of set Quality Objectives
- Ensure that all personnel performing work that affects product and service quality are competent on the basis of appropriate skills and training
- Ensure the achievement of customer requirements and satisfaction
- Ensure that the QMS is reviewed on a regular basis to identify opportunities for improvement , and as such are communicated throughout the Company
- Ensure that the Quality Management System Processes are communicated to all employees.

As Senior Management, we the undersigned, accept responsibility for the implementation, maintenance and continual improvement of the Quality Management System.

T. Kempster
